MAN ARRESTED FOR WALGREENS ROBBERY

Bluffton Police have arrested Tyler Alexander Bredice- Beverly, DOB: 10-29-1995, and charged him with Armed Robbery.

On 07-27-13 at approximately 11:00pm, Bluffton Police Officers responded to 868 Fording Island Road (Walgreens) in reference to an armed robbery. A man wearing a mask came into the store, claimed to have a gun and demanded money and cigarettes. Other customers standing nearby confronted the robber and he fled the area. Before fleeing, the customers caused the suspect's mask to come off of his face. This allowed officers to use still photos from the surveillance video to develop Bredice-Beverly as a suspect. Through an on-going investigation, detectives were able to confirm Bredice-Beverly's involvement in this robbery.
